It is the intent of the StL-BPUSA Chapter to provide grieving families every opportunity to honor their loved one by offering a wide variety of services. The St. Louis Chapter of BPUSA now offers two new opportunities to honor our children Sponsor our webpage and/or include your child in our Virtual Memorial. Examples are posted on website. You may contact the webmaster at chapterwebmaster@bpusastl.org, call (314) 878-0890, or follow the instructions below.

Sponsorship: Help defray the annual expense of our new on-line resource by sponsoring the website for one month at a cost of \$20. This offers you the opportunity to place your child's picture on the Home Page with an informational scroll announcing the special day and a link to your child's virtual memorial page.

1. A \$20 fee is requested to sponsor the website.
2. Be sure to include a picture, occasion (ie birthday, anniversary date, because you miss them), 25 word message, child's name, birth date, death/angel date.

Virtual Memorial (One-page): As a fund raiser, you may include your child on The Virtual Memorial page. This offers you the opportunity to include your child's picture and a one page story in our Meet Our Children web area, indefinitely. Your child's picture and story will remain on the Meet Our Children site until you ask for it to be removed.

1. A one time \$25 posting fee is requested.
2. A \$10 fee would be requested for changes or additions to the page after the initial input.
3. Be sure to include a picture, story (attach on separate page or email), child's name, date of birth, and death/angel date.
